EXPERIENCES

Vin's Automotive Group Pte Ltd

Marketing Executive & Graphic Designer

October 2023-October 2024

As a Marketing Executive and Graphic Designer, I designed over 50 marketing materials for both digital and print, ensuring consistent branding. I captured and edited 200+ car photos and videos, boosting sales and promotions. I created static and motion graphics for Facebook ads, increasing click-through rates by 20%. I retouched 300+ car images, improving their appeal on SGCarMart, and produced animations that increased social media engagement by 25%.

I wrote effective copy for Facebook ads and TikTok content, improving performance by 15%. I managed campaigns through META Business Suite, reducing costs by 10%, and listed 500+ cars for sale, driving a 30% increase in inquiries. I also prepared monthly reports to optimize strategies and improve ROI.

Graphi Lab Creative Studios

Creative Designer / Branding (Contract)

May 2023- October 2023

As a Creative Designer, I designed and conceptualized over 20 logos for SME businesses in the Kuala Lumpur area, strengthening their brand identity and market recognition. I developed innovative product packaging and labeling designs, contributing to increased product appeal and sales. Additionally, I created custom sublimation apparel designs, including T-shirts, futsal jerseys, aprons, and headgear, helping SMEs establish a professional and cohesive brand image.

Creo Creative Brand Communications

Marketing Team / Social Media Designer (Internship)

October 2022-April 2023

As a Marketing Team / Social Media Designer, I created over 100 engaging social media graphics that increased follower engagement and campaign reach. I designed product packaging, labels, and stickers for multiple brands, enhancing product appeal and boosting sales. Additionally, I edited and produced over 50 GIF animations and motion graphics, improving viewer retention and interaction rates. I also modeled and animated 3D environments and objects, delivering high-quality visuals for branding and marketing projects, ensuring client satisfaction.

RJD Machines Sdn.Bhd

Graphic Designer(Contract)

September 2018–September 2019

As a Graphic Designer at RJD Machines Sdn Bhd, I created over 50 marketing collaterals for internal and external use, ensuring consistent branding and effectively supporting organizational goals. I designed custom sublimation uniforms and T-shirts to enhance brand identity and foster team cohesion. Additionally, I developed infographics and signage to improve employee communication and operational efficiency.
